

To Judge Cattie B. Lasser

Your Honor:

This letter is a personal request in behalf of my son Ellsworth G. Roston Blocket no. 04CR10021. Who will be appearing before you for sentencing I believe on April 25th 2005.

My request is that I was informed that the P.A. Conlay is presenting a secret motion against him at that time. I'm asking you if you will disregard any motions that will be detrimental to his sentencing. I am his mother asking for some leniency in his case. Thank you

Sincerely Barbara A. Valliday
